The King Series

When you have to exceed all expectations, impress a client or just want the ultimate accommodations for your event, the only option is the King Series.

Pride Group's King Series Suites were specifically developed to impress even the toughest critics. These exquisite features include a contemporary color palette, cathedral arched doors, large plank designer woodgrain floors, floating cabinets and chic black and white artwork, custom etched vanity mirrors, stylish hardware, sinks and faucets. They are truly remarkable and usually become the talk of the event.*

The Queen Series

A perfect solution for upscale corporate events, VIP areas, private parties, weddings or galas.

Pride Group's Queen Series is the perfect solution for any event that requires upscale, high-end & elegant accommodations for its guests. These suites combine the elegant and fashionable amenities in a space that doesn't compromise function.

These beautiful stylish Restroom Suites feature private, spacious, climate-controlled accommodations, porcelain stools, urinals and sink basins, skylights, spa-like ambiance and woodgrain flooring, all that add to the luxurious open space that provides an incredibly comfortable facility for your guests.*

The Knight Series

Specifically designed for major events, disaster relief efforts, shopping malls, golf courses and any heavy traffic projects.

Pride Group's Knight Series is designed for optimal capacity, efficiency and functionality. These new Mobile Restroom Suites are modern & contemporary, as well as generously appointed with porcelain fixtures, woodgrain floors, hanging art, abundant lighting and plenty of room to handle large quantities of people.*

**Restroom attendants are always available upon request.*

EXCLUSIVE TO PRIDE GROUP, OUR MOBILE RESTROOM SUITES CAN BE TOTALLY SELF-CONTAINED WITH ON-BOARD FRESH WATER TANKS AND SOLAR POWER.
