01 WHY

To be great at anything you have to understand why you are doing it and wholeheartedly believe in it. This is the foundation of our ethos and what our culture is built on.

The purpose for our company is to offer our Clients decades of proven successful experience, unrivaled reliability and a steadfast commitment to our primary goal of being their Single Simple Solution™.

We believe in always being above reproach, exceeding the expectation and being a partner with our Clients. We are always looking for new ways to better ourselves – being humble, listening harder, surpassing the status quo, and taking care of our Associates.

The Principals of Pride Group combined have over 100 years of experience with Special Events and have been working together for more than a decade with a commitment to being complete.

Pride Group recruits the most talented & respected professionals in the industry. Our business ethos appeals to individuals that are morally sound, extremely driven, well organized, keep themselves above reproach and are committed to exceeding our Client's expectation.

We are made up of not just a group of leaders, but individuals who know how to lead, through respect, inspiration, training, shared knowledge and empowerment.
