KNIGHT SERIES 400

The King Series

When you have to exceed all expectations, impress a client or just want the ultimate accommodations for your event, the only option is the King Series.

Pride Group's King Series Suites were specifically developed to "wow" even the toughest critics. The exquisite features for the King Series include; real wood maple stained trim, wainscoting, elegant crown and chair moldings, woodgrain floors, marbled walls, custom six-panel doors with stylish hardware, recessed modern light fixtures, chic sinks and faucets.*

The Queen Series

A perfect solution for upscale corporate events, VIP areas, private parties, weddings or galas.

Pride Group's Queen Series is the perfect solution for any event that requires upscale, high-end & elegant accommodations for its guests. These suites combine the elegant and fashionable amenities in a space that doesn't compromise function.

These beautiful stylish Restroom Suites feature private, spacious, climate-controlled accommodations, porcelain stools, urinals and sink basins, skylights, spa-like ambiance and woodgrain flooring, all that add to the luxurious open space that provides an incredibly comfortable facility for your guests.*

The Knight Series

Specifically designed for major events, disaster relief efforts, shopping malls, golf courses and any remodeling projects.

Pride Group's Knight Series is designed for optimal capacity, efficiency and functionality. These new Mobile Restroom Suites are modern & contemporary, as well as generously appointed with porcelain fixtures, woodgrain floors, hanging art, abundant lighting and plenty of room to handle large quantities of people.*

**Restroom attendants are always available upon request.*
